

DOMESTIC WASTEWATER TREATMENT PLANTS CLEANNY

Really
simple
domestic WWTP

SIMPLE ACQUISITION

the price includes all technologies and the blower

SIMPLE PLACEMENT

Unique all-purpose head to be
adjusted based on your needs

SIMPLE ASSEMBLY

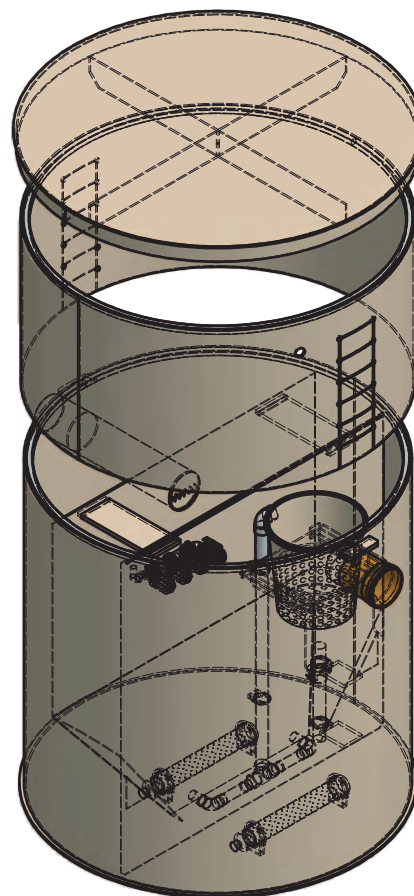

easy for assembly even for no-experts

SIMPLE START-UP

just connect, fill up, switch on and use

SIMPLE AND RELIABLE OPERATION

everything is factory-set

VODACZ

YOU WILL JUST SIMPLY FIT, CONNECT, FILL UP WITH WATER, SWITCH ON AND THAT'S IT!

Even no-experts can do the assembly in just little time (max. 4 hours)

– Everything has been prepared and set in the factory.

Self-supporting structure with no need of concrete encasement

– you will just place in the ditch on a base concrete slab or in solidified ballast and grit around.

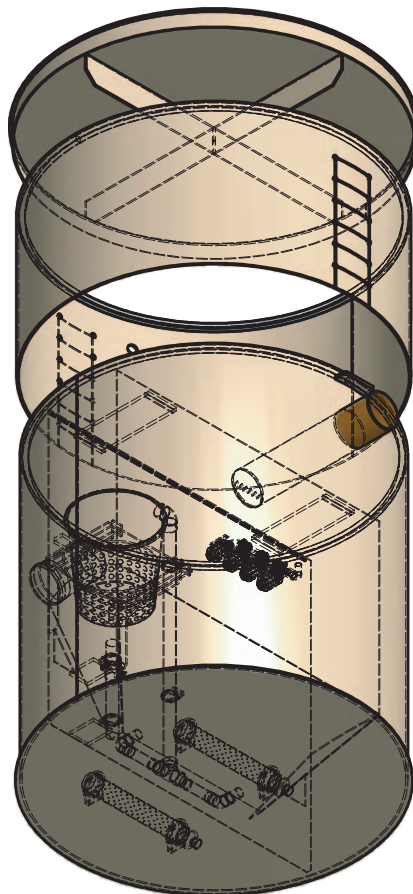

High CE-certified cleaning efficiency

– recycled water can be reused

Stable cleaning parameters also in case of operating volatilities (more people coming round on a visit, etc.)

THE WWTP PRICE INCLUDES REALLY EVERYTHING:

- › WWTP technology
- › all-purpose head for 300 – 700 mm
- › passable cover
- › blower
- › supply air hose 3/4" and its protection with 40 mm in diameter and 15 m length
- › 2 pc stainless clip for the hose
- › screwdriver for the clips
- › hand saw for adjusting the head
- › time-switch socket
- › comprehensive documentation incl. warranty certificate and watertight test report
